

2017 State Championship Marshal Program

September 15-16 on Muskegon Lake

Are you interested in becoming a Marshal during our Michigan B.A.S.S. Nation State Championship?

You can sign up to fish alongside one of our “Pro Boaters” at this year’s Adult State Championship.

There is no cost to you, other than if you choose to get into a Tournament Pot for \$20 per Marshal (with 100% payout). That pot is completely optional.

An Optional Big Bass Pot may also be established (\$5 per Marshal)

Marshal Rules are fairly simple.

1. A Three Bass (14”) Limit for each Marshal
2. You are not required or allowed to help the Pro in any way, except in an emergency situation.
3. You can not interfere with the Pro in any way
4. Your fish will be weighed in with the rest of the Anglers at our weigh in.

You will also be invited to a Free Banquet Orientation Dinner the night before the first tournament day, as well as to the picnic lunch on day 1 of the tournament.
